3RS FOR SUSTAINABILITY

3RS for Sustainability
Reduce, Reuse and Recycle
Much needed for human
Survival We should rethink
on our deeds What are
luxuries and what are needs
We've to pay our duties
To save the earth beauties
For a cleaner and greener
land
Let's take hand in hand
Reduce the greed Reuse is need
Recycle to transform the waste
A hope of seed for good food.

AFS (DOMESTIC EXCHANGE)

Cultural exchange programs are vital for fostering mutual understanding and cooperation. Students from our Campus, under the aegis of AFS India, have left for the 7-days exchange program to happen in Madurai.

The students engaged there with three other schools, experiencing diverse educational environments. This initiative connected students from Tamil Nadu, Madhya Pradesh, and Punjab, students thereby strengthened inter-state relationships.

Teaching children is not just a Profession for me; it is a Calling. As a Social Science teacher I take great joy in making learning accessible and fun, ensuring that my students are excited about coming to class and eager to explore new concepts. I believe that when students have fun while learning, they retain information better and develop a genuine interest in the subject. Being friendly and approachable is at the core of my teaching style. I believe that building strong, positive relationships with my students is essential for their academic and personal growth.
